

HOW TO REACH B. BRAUN JAÉN

WELCOME TO THE B. BRAUN FACILITIES IN JAÉN

In order to help you find your way to our plant, please follow the detailed instructions provided below.

FROM GRANADA AIRPORT

Granada-Jaén's Federico García Lorca airport is the one closest to our plant. It is 17 km away from Granada and 106 km from Jaén.

On leaving the airport in a westerly direction (Oeste in Spanish), turn right onto the A-92, and then take Exit (Salida) 241B towards the A-44/E-902 in the direction of Jaén-Madrid. By bearing slightly to the left you will join the A-44/E-902. After about 82 km take Exit (Salida) 37 towards the A-316 autovía, which is a dual carriageway, keep to the left and follow the signs for the A-316 Torredelcampo/N-323 to Jaén (North-Norte). Always keep to the left, and after heading in this direction you will join the A-316 autovía and from there you can already see our plant, which is only a few metres farther on, turning sharp right.
